

TOLEDO JEEP FEST BASE CAMP

Friday, Aug. 1 - Sunday, Aug. 3
A Jeep Overlanding Experience

Middlegrounds Metropark

This small riverside park in the city will take your breath away. Located in downtown Toledo, the park includes a half-mile of reclaimed riverfront property, with an entrance at the base of the Anthony Wayne Bridge.

Metroparks is pleased to once again partner with Toledo Jeep Fest to open a pop-up Jeep Overlanding site at Middlegrounds Metropark called Toledo Jeep Fest Base Camp. The goal of overlanding is to become reliant on your vehicle for transportation and shelter in order to enjoy the nature around you. Base Camp will offer a unique urban overlanding experience with limited overlanding sites located beneath the Anthony Wayne Bridge at Middlegrounds Metropark.
