THANK YOU FOR MANY YEARS OF SERVICE BRUCE BAUMHOWER

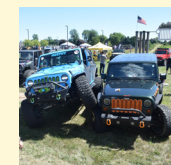

For 32 years, Bruce Baumhower has led UAW Local 12, making him the longest-serving president in the local union's history. He retired at the end of June, and we want to celebrate his remarkable legacy. Bruce played a key role in saving the Jeep plant in Toledo and was instrumental in bringing major investment from Chrysler, including the new Toledo North Assembly Plant. He's also been a founding member and enthusiastic supporter of Toledo Jeep Fest, proudly leading the All-Jeep Parade each year alongside UAW members. We're honored to have Bruce as part of the Toledo Jeep Fest family. We're deeply grateful for his generosity, dedication, and decades of service to Toledo.

Congratulations, Bruce, and happy retirement!

A huge shout-out to the awesome volunteers that help make Toledo Jeep Fest a success! This event is powered by many helping hands – nearly 300 people are giving their time to help in the Kids' Zone and Family Zone, parade staging and assistance, recycling, traffic flow, beer garden and many other key festival areas. Our volunteers help bring smiles to thousands of Toledoans and many first-time visitors to our city. We appreciate all they do each and every year.

If you need help, look for people wearing blue TJF volunteer shirts. They can help answer questions, point you in the right direction, or share helpful information to make your TJF experience easier.

Committed To Caring For Our Community

Mercy Health is proud to support the 2025 Toledo Jeep Fest — a celebration of our city's rich history and the people who bring that legacy to life every day.

For 170 years, we have served the Toledo community with a mission of caring for the sick and uplifting the vulnerable. Likewise, Jeep's founding purpose — to build a vehicle in service of our country during wartime — reflects those same values of commitment, resilience, and purpose.

Together, our institutions represent the very best of Toledo: a city built on hard work, shared values, and a deep responsibility to care for one another.

Join us in the Healthcare Corner where our EMS team will share information for knowing the signs of a stroke and heart attack, the history of health care response teams and hands-on demonstrations.
